4. TUITION SCHEDULE

We look forward to partnering with you to provide the best education possible for your child (ren) for the 2012-2013 school year. The timeline below should help answer some questions that you might have regarding tuition and fee payments.

LRCS receives its funding from tuition, fees, fundraisers, and donations, not from state or federal funds. We have monthly commitments, such as salaries, health insurance and curriculum, that we are obligated to pay, therefore, it is important that all tuition and fees be paid when due.

By July 1:.....**Curriculum fee (Pre-school and K5 through 12th grade)**

By August 1:.....The first **Tuition** payment is due.

(The tuition for the year may be **divided by ten months**, with the **payments due before the first of each month, August through May**. If you want smaller monthly payments let the office know that you prefer to divide the payments over 11 or 12 months. If you have any questions please contact the financial office.)

By Sept. 1:.....The **Technology fee** is due. (1st grade through 12th grade)

.....The first semester **Elective fee** is due. (5th grade through 12th grade)

.....The **Leadership Camp fee** is due. (11th grade and 12th grade)

By January 16:...The second semester **Elective fee** is due. (5th grade through 12th grade)

By March 1:.....The **Kindergarten graduation fee** is due. (K5)

.....The **Senior class graduation fee** is due. (12th grade)

By May 1:.....The **Activity fee** is due. (1st grade through 12th grade)

(There may be some fundraisers during the year, which may be able to help pay this fee.)

* You may pay with cash, check, or credit card. You may also enroll in the direct payment plan, where every month we automatically deduct the tuition amount from your bank account; the first withdrawal would be on July 31, 2012, for the August 1 payment.

* If an account falls more than two months behind, you will be contacted to establish a payment plan or a meeting with the school board will be scheduled. The board reserves the option of having the child withdrawn, if financial obligations are not met. If any tuition or fees are unpaid at the completion of the school term or there is an early withdrawal, report cards and other records will not be issued until the debt is paid. No student may attend class the next school year if an account is in arrears, unless, a payment plan has been approved by the school board and payments are being made.

* Past due accounts may be given to an outside source to be collected.

I have read and understand the tuition and fee payment plan and agree to the terms.
